## COMMUNION SCHEDULE

The following schedule is for Communion. Communion **in the Pews**, place a tray of filled cups with the plate of bread on top then a white cloth over both on a table beside each section, including choir. Seven trays if choir singing, six in summer with no choir.. If **at rail** place 2 stacks of all trays with a lid on top of each on altar table and bread on 2 plates or loaves. **Remember 1 cup and 1 bread for organist, media team and video camera person.** Mark in notebook the date who prepared it and how many were served. Pastor uses challis and plate placed on altar table with cloth over it and small French loaf (pretzel bread) to break. Take home used dishtowels, wash and return to kitchenette. Thank you!
